

Encore

MOBILITY
BRODA[®]

Comfort, Functionality, and Style

Shown with short back, headrest, mag wheels, and lateral support options.

New frame design, including adjustable wings.

Front pivot seat tilt maintains a proper position for self-propulsion.

Pedal Rocker calms and creates contentment.

Patient, Facility, and Caregiver Benefits

- Increases quality of life and engagement with surroundings.
- Allows for easy self-mobility and safer patient maneuverability.
- Reduces risk of injury and falls with supportive stable positioning.

Comfort Tension Seating[®] increases support and sitting tolerance.

The Encore of Comfort, Functionality, and Style.
